

GAF Habitat for Humanity Program.

By partnering with your local Habitat for Humanity affiliate to install GAF roofs for families in your community, you will help to provide them with safe, affordable housing and show your community that you are invested in the well being of your neighbors.

WHO CAN PARTICIPATE?

GAF Master Elite® and GAF Certified™ Contractors

HOW DOES IT WORK?

Find a Habitat Project

Contact your local Habitat for Humanity affiliate to identify a "Habitat Project". Visit www.habitat.org/volunteer/near-you/find-your-local-habitat for a list of local affiliates.

GAF Certified Contractor Program

If your Habitat Project is over 30 squares, please contact the GAF Certified Contractor Program at **888-532-5767, option 3** for approval before purchasing any materials or beginning work.

Donate time and labor

Donate your time and labor to install a Qualifying GAF Roofing System on a Habitat Project.

Fill out job completion form

Fill out a **job completion form** and mail or email it to the address indicated on the form. To qualify for reimbursement, GAF must receive your job completion form **within 90 days** of the date you complete the roof installation.

Reimbursement

GAF will reimburse you for the cost of the Qualifying GAF Roofing System (defined below) in the form of a material credit and waive the registration fee for a *System Plus Limited Warranty* for up to four (4) Habitat Projects per calendar year.

Create awareness

You can create awareness of your efforts before, during and after your installation by following the tips in our **GAF Community Contractor Toolkit**.
