

# Perimeter Edge Metal

## EverGuard® GAF Fascia

### Description:

EverGuard® Fascia is composed of a snap-on cover that eliminates crimping, substantially reducing installation time on single-ply roofs. Dual attachment points on both the face and roof deck allow for added flexibility when accommodating roof irregularities. With no exposed fasteners and no unsightly cover plates, Everguard® Fascia will complement the building's aesthetics, while also being fast and easy to install.

### Features and Benefits:

- EverGuard® Fascia sizes range from 5 1/4" – 12 3/4" (139.7 mm – 323.85 mm) face heights to accommodate multiple nailers and wall requirements.
- EverGuard® Fascia covers can be manufactured in 22 ga., 24 ga. steel, or .040", .050", and .063" aluminum.

- Factory-fabricated miters, scuppers, and drainage accessories provide a clean aesthetic and can help save time by eliminating the need for field fabrication.
- Express, standard, and premium colors and finishes are available and include a 30-year limited Kynar 500® finish warranty on coil-coated standard colors. For warranty details, please visit gaf.com.
- Custom colors are also available. A 10-year limited warranty is included for post-painted Kynar®-coated aluminum applications unless otherwise stated. A 20-year limited warranty may be available upon request for certain colors.\*

\* Restrictions apply; consult your GAF Territory Manager for more information.

### Codes and Compliance:

- Tested in accordance with ANSI/SPRI/FM 4435/ES-1 Standard to comply with the International Building Code.
- FM-approved for wind uplift protection. Refer to RoofNav.com for actual assemblies.

### 10 Express Colors<sup>1</sup>

Express Colors are available for quick shipping to meet your job requirements.<sup>2</sup>

For standard and premium colors, go to the GAF color chart, available at [gaf.com/perimeteredgemetal](http://gaf.com/perimeteredgemetal). Custom colors are also available.

<sup>1</sup> Express Colors available in shorter lead times for 24 ga., .040", and .050" only. Standard lead times, which may be longer, apply for 22 ga. and .063".

<sup>2</sup> It is difficult to reproduce the color clarity of these products. Before selecting your color, please contact your local GAF territory manager to request a paint chip for accurate color representation.
