

Perimeter Edge Metal

Description:

EverGuard® Pro Fascia and EverGuard® Pro Extended Fascia compose a snap-on system that protects against tough weather conditions. The unique design of the extruded aluminum bar with pre-punched holes securely terminates single-ply membranes and provides superior protection versus formed shop-fabricated bars. It can also increase productivity with its ease of installation.

Features and Benefits:

- EverGuard® Pro Fascia sizes range from 4" – 8 ½" (102 mm – 216 mm) face heights to accommodate multiple nailers and wall requirements.
- EverGuard® Pro Extended Fascia sizes range from 8 ½" – 13" (216 mm - 330 mm) face heights.
- EverGuard® Pro Fascia covers can be manufactured in 22 ga., 24 ga., or .040" aluminum.

- EverGuard® Pro Extended Fascia covers can be manufactured in 22 ga. galvanized steel or .050" and .063" aluminum.
- Factory-fabricated miters, scuppers, and drainage accessories provide a clean aesthetic and can help save time by eliminating the need for field fabrication.
- Express, standard, and premium colors and finishes are available and include a 30-year limited Kynar 500® finish warranty on coil-coated standard colors. For warranty details, please visit gaf.com.
- Custom colors are also available. A 10-year limited warranty is included for post-painted Kynar®-coated aluminum applications unless otherwise stated. A 20-year limited warranty may be available upon request for certain colors.*

* Restrictions apply; consult your GAF Territory Manager for more information.

Codes and Compliance:

- Tested in accordance with ANSI/SPRI/ FM 4435/ES-1 Standard to comply with the International Building Code.
- FM-approved for wind uplift protection. Refer to RoofNav.com for actual assemblies.

10 Express Colors¹

Express Colors are available for quick shipping to meet your job requirements.²

For standard and premium colors, go to the GAF color chart, available at gaf.com/perimeteredgemetal. Custom colors are also available.

¹ Express Colors available in shorter lead times for 24 ga., .040", and .050" only. Standard lead times, which may be longer, apply for 22 ga. and .063".

² It is difficult to reproduce the color clarity of these products. Before selecting your color, please contact your local GAF territory manager to request a paint chip for accurate color representation.
