

TPO Accessories

Description:

Save time and labor costs with easy-to-install EverGuard® TPO Vents. GAF factory-built accessories reduce risk of leaks and callbacks, and help create a uniform aesthetic.

Application:

EverGuard® TPO Vents are designed to be installed on any EverGuard® TPO roofing system. Vents are installed using conventional techniques. See published application and specifications manual for detailed instructions.

Product Information:

EverGuard® TPO Vents are manufactured out of reinforced 45 mil TPO membrane and galvanized steel. Custom colors are available (contact your local rep for details). The vents are part of a comprehensive line of EverGuard® TPO accessories that GAF manufactures using a proprietary formulation designed for use with EverGuard® TPO single-ply membranes.
