

Beyond beauty. Beyond your expectations.

For homeowners seeking a combination of beauty and benefits that go beyond any other GAF shingle

Featuring our patented Dual Shadow Line for dramatic sunset shadows all day long, and the 30-year StainGuard Plus PRO™ Limited Warranty against blue-green algae discoloration, Timberline UHDZ[®] shingles go beyond.

Timberline UHDZ® Shingles

Benefits:

- Patented **Dual Shadow Line** for dramatic sunset shadows all day long
- **30-year StainGuard Plus PRO™ Algae Protection Limited Warranty¹** against blue-green algae discoloration, thanks to 10% more time-release algae-fighting capsules than Timberline HDZ®
- **LayerLock® Technology** mechanically fuses the common bond between overlapping shingle layers, which powers the **StrikeZone®** — the industry's widest nailing area
- **WindProven™ Limited Wind Warranty²** — when installed with the required combination of GAF accessories, Timberline UHDZ® shingles are eligible for an industry first: a wind warranty with no maximum wind speed limitation
- **Up to 99.9% nailing accuracy** — the StrikeZone® nailing area is so easy to hit that a roofer placed 999 out of 1,000 nails correctly in our test³
- **Up to 30% faster nail fastening** thanks to the industry's largest nail zone³
- **Dura Grip™** sealant pairs with the smooth microgranule surface of the StrikeZone® nailing area for fast tack, and an asphalt-to asphalt monolithic bond cures for durability, strength, and exceptional wind-uplift performance
- Passes UL 2218 Impact-Resistance Test with **Class 3 rating⁴**

Dual Shadow Line technology precisely distributes color granules to create two parallel shadow lines, which gives the Timberline UHDZ® shingle a thick, ultra-dimensional wood-shake look.

LayerLock® Technology — proprietary technology mechanically fuses the common bond between overlapping shingle layers.

¹ 30-year StainGuard Plus PRO™ Algae Protection Limited Warranty against blue-green algae discoloration is available only on products sold in packages bearing the StainGuard Plus PRO™ logo. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions, and qualifying products.
² 15-year WindProven™ limited wind warranty on GAF Shingles with LayerLock® Technology requires the use of GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the *WindProven Limited Wind Warranty*, see *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.
³ Results based on study conducted by Home Innovation Research Labs, an independent research lab, comparing installation of Timberline HD® Shingles to Timberline HDZ® Shingles on a 16-square roof deck using standard 4-nail nailing pattern under controlled laboratory conditions. Actual results may vary.
⁴ UL 2218 Class 3 Impact-Resistance Test performed under controlled laboratory conditions. GAF makes no express or implied warranty about the impact performance of this product against hail. Hail damage is not covered under the limited warranty.

Meets certain FORTIFIED Roof™ requirements. Visit gaf.com/Fortified and current FORTIFIED Home™ Standard available at fortifiedhome.org for details. U.S. only.

We protect what matters most™
