Timberline UHDZ® Shingles

Benefits:

- Patented **Dual Shadow Line** for dramatic sunset shadows all day long
- **30-year StainGuard Plus PRO™ Algae Protection Limited Warranty** against blue-green algae discoloration, thanks to 10% more time-release algae-fighting capsules than Timberline HDZ®²
- **WindProven™ Limited Wind Warranty** — when installed with the required combination of GAF accessories, Timberline UHDZ® shingles are eligible for a wind warranty with no maximum wind speed limitation³
- **LayerLock® Technology** mechanically fuses the common bond between overlapping shingle layers.
- **Up to 99.9% nailing accuracy** — the StrikeZone® nailing area is so easy to hit that a roofer placed 999 out of 1,000 nails correctly in our test¹
- **Dura Grip™** sealant pairs with the microgranule surface of the StrikeZone® nailing area, and an asphalt to-asphalt monolithic bond cures for durability, strength, and exceptional wind-uplift performance
- **For the best look** — use TimberTex® premium ridge cap shingles or TimberCrest® premium SBS-modified ridge cap shingles
